About this property

Vaneau Maroc, a luxury real estate agency in Marrakech, offers you a new villa, due for completion in April 2026, as part of a small-scale development of four villas facing the Atlas Mountains, with no overlooking properties. The villa is built on a modest 800m² plot facing a garden, which gives it a much deeper and larger perspective. It offers approximately 400m² of living space on two levels. On the ground floor, there is a bright double living room opening onto a landscaped garden and swimming pool, as well as a semi-open kitchen, guest toilet and potentially a bedroom for staff or guests. On the first floor, there are three suites, including a 70m² master bedroom, all with dressing rooms and en-suite bathrooms. Some customisation is still possible. The villa is located on the right-hand side of the Ourika road, 300m from the road, which isolates it from noise, and only 15 minutes from the Royal Mansour.
